TASTING NOTES

Two of the most emblematic grape varieties of the Vinho Verde Region produce this citric wine with a fresh aroma that reveal lime and tropical fruits. Its freshness and minerality, associated to a relatively low acidity, make this wine one of the most refreshing and adaptive to the summer gastronomy.

VINEYARDS

Casa de Vilacetinho is located in Alpendurada overlooking the River Douro and covers an estate with 30 hectares of vineyards which develop in a continuous and ordered manner in soils of granitic nature, with a predominantly South sun exposure, making it one of the most prosperous locales of the region set to the production of 'Vinho Verde'.
