TASTING NOTES

Citric wine of intense and defined aroma assimilates notes of tropical passion fruit and pineapple to one of a matured peach. In the mouth it reveals body and smoothness as a result of its maceration uncovering notes of honey.

VINEYARDS

Casa de Vilacetinho is located in Alpendurada overlooking the River Douro and covers an estate with 30 hectares of vineyards which develop in a continuous and ordered manner in soils of granitic nature, with a predominantly South sun exposure, making it one of the most prosperous locales of the region set to the production of 'Vinho Verde'.
