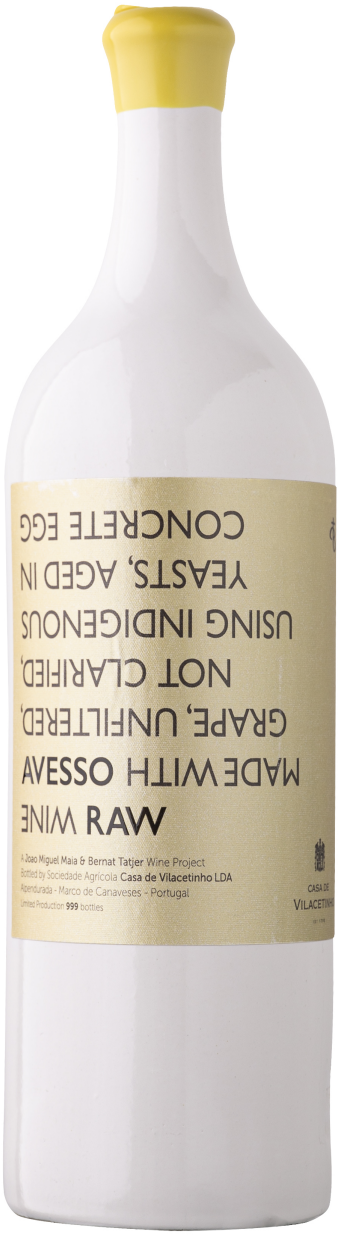
PRODUCT

CASA DE VILACETINHO

Avesso • Raw



REGION	"Vinho Verde" Region Sub-Region of Amarante
COUNTRY	Portugal
AREA	30 ha
SOIL	Granitic
SUN EXPOSURE	South (Predominantly)
POSITION	Slight declining gradient (4-8%)
YEAR	2023
ALCOHOL	11 % vol.
SUGAR RESIDUAL	<1.5 g/L
FIXED ACIDITY	5.9 g/L
GRAPE VARIETIES	Avesso

TASTING NOTES

In a grape that typically matures at a higher alcohol level, it was picked earlier so that the acidity could protect the wine. It fermented in a concrete egg using indigenous yeasts, and ended up doing the malolactif fermentation. it was then left unfiltered and not clarified before being bottled in december 2022. No sulfites added.

WINEMAKERS

José Manuel Antunes, Fernando Moura, António Sousa

VINEYARDS

Casa de Vilacetinho is located in Alpendurada overlooking the River Douro and covers an estate with 30 hectares of vineyards which develop in a continuous and ordered manner in soils of granitic nature, with a predominantly South sun exposure, making it one of the most prosperous locales of the region set to the production of 'Vinho Verde'.
